

# Who is Warren McDaniels?

- ① Navy veteran
- ② Harvard fellow
- ③ Fire chief (retired)
- ④ GED graduate, Louisiana
- ☒ All of the above

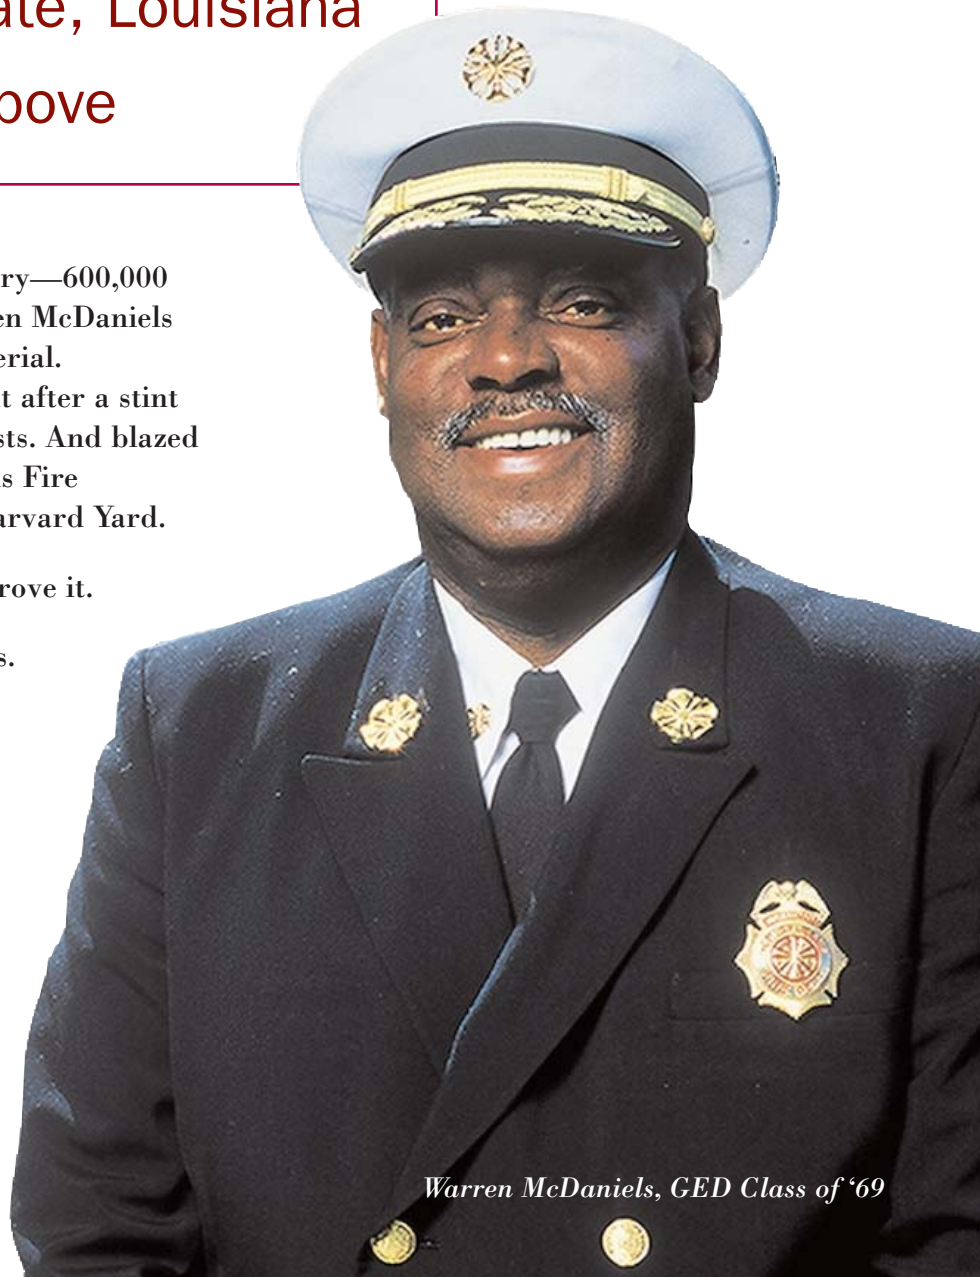

Every person with a GED has a story—600,000 new stories a year. As a teen, Warren McDaniels didn't think he was trailblazer material.

He dropped out of high school. But after a stint in the Navy, he passed the GED Tests. And blazed a trail to the top of the New Orleans Fire Department—with a side trip to Harvard Yard.

Mature. Motivated. And ready to prove it.

The people who pass the GED Tests.
